

History

All children – regardless of gender, starting point or background – will have the opportunity to engage with a high-quality history education. They will be equipped with the knowledge, skills and vocabulary to ask perceptive questions, think critically, weigh evidence, sift arguments and develop perspective and judgement, to provide an understanding of chronology, knowledge of significant individuals and events. We intend to inspire a sense of enjoyment and curiosity about history.

Tim Peake and Neil Armstrong

Autumn 1

New Knowledge:

- We can use a range of sources of to find out about the past (artefacts, photographs, visits).
- A pioneer is one of the first people to do something or go somewhere.
- A pioneer is normally brave, a risk taker and not afraid to be different.
- Neil Armstrong, a famous American astronaut, was the first man ever to step foot on the moon (1969).
- Mae Jemison was the first black woman in space (1992)
- Major Tim Peake was the first British astronaut to live on the Russian space station above the Earth (2015).

Key Vocabulary:

- Pioneer
- Compare
- Achievement
